

Looking for Associate Dentist

- Full Time
- RCDSO License, CPR
- Resume, cover letter stating your professional goals
- New/newer graduates welcome

Who we are

- Well-established practice with the same owner for over 20 years. Not part of or affiliated with any multi-chain or corporate dental groups.
- General and family practice providing care in all facets of dentistry including implant dentistry, orthodontics, cosmetic dentistry and prosthodontics.
- Located in and servicing business and residential communities. Most patients have employer-provided insurance with a small number of patients with ODSP/Healthy Smiles insurance.
- Long-term supportive staff and a great team environment. Principal dentist is motivated and willing to provide mentorship and collaborate with challenging cases if needed.
- Progressive office with a great learning environment where continuing education is highly encouraged.
- Up to date with technology and recently renovated: digital x-rays, charting, ITero...
- Practice has a great patient volume. Candidate can expect to be booked with a full schedule right away. Great high production potential.
